

HELL DRIVERS ASK FOR IT, GET AWAY WITH IT

The famous Campbell suicide circus made its first post-war appearance in Berlin. The ace girl rider was burning to show that the flames mean nothing.

Then the cars took over, just to show that there's nothing to be afraid of at the wheel if you turn a double somersault.

Don't move now, buddy, there's ^{one} ~~one~~ coming.

(women) Women drivers saw the things they do without any training now done by experts.

Every time the drivers manage^d to come out in one piece.

Now for something really risky. The outside position, with everything all set for a dash through the fire. A great life while it lasts.
