### Rose Day

FOR over two hours to-  
morrow—Alexandra Rose  
Day—the Duchess of Kent will  
tour depots in the London area.

The organisers of this year's  
Rose Day tell me that they are  
making extra special efforts to  
achieve a record collection for  
this Coronation year.

The Duchess of Kent is to  
leave Marlborough House in her  
car at about 11 a.m. From there  
she will go to the Kensington  
Town Hall depot and after a short  
stop travel on to other depots.

Included in her planned stops  
are Hammersmith Town Hall,  
Chiswick Town Hall, 77 Kew  
Green, Richmond Town Hall,  
Kingston Guildhall, Merton and  
Morden U.D.C. at Morden Hall,  
Wimbledon Town Hall, Wand-  
sworth Municipal Buildings,  
Bishop Creighton House in  
Lillie-road, and Brompton Ora-  
tory.
