RIDE 'EM COWBOY

Not for nothing is this called the chuck wagon race when sure enough quite a lot gets chucked out.

No chance of being stuck up in this show, sooner or later you come down off your high horse and there are empty saddles in the old corral.

And if anyone says it's an awful lot of bull, I'll agree with him.

This is what's known as being on the horns of a dilemma - and that's the first bull I've heard of called Emma.

Steering an unsteady course and cursing an unsteady steer, let me ride in the wide open spaces that I love, don't fence me in.

Here's one of those short riders in the sky. He's an old cow-hound and he's on the ground.

CALGARY STAMPEDE BIGGEST COWBOY SHOW IN THE WORLD

The famous chuck wagon race!..... a feature of the 68th Calgary Exhibition and Stampede, which bows to no show of its kind anywhere. For six days, Calgary Alberta is the wild-west capital of the universe. And of course, there are the rodeo features ... raw and rangy bucking horses tangling with cowboys!

How's thiw for a portrait of cowpoke and four-legged dynamite?

The perfect rodeo shot, we'd call it!

Perfection ... and not so perfect!

The mean Brahma Bulls give chase...

Over his head in trouble ... hold tight... not tight enough!

This one's bound for the fences!

He's thrown for a loss ... the bull goes for a touchdown!
