

AFTER 7 YEARS RUSSIAN WIFE FREED

The plane touched down at Northolt and Mrs. Clara Hall was really in England at last; She and her little 6-year-old/^{son}Nicholas. Her Mother-in-Law, Mrs. Florence Hall met her. Clara, 29, is Russian. ~~She married her~~ *Her British* husband ~~was~~ was a cipher-clerk at the ~~British~~ Embassy, *in* Moscow. ~~Now,~~ *Now,* unexpectedly released she and the boy will go to Ottawa, where ~~has been working~~ *Mr. Clark now works.*

Are you going to settle down in Canada.

All good luck to Mrs. Clara Hall.

Another air arrival, at Lympne, was Group Captain Peter Townsend, the former Equerry to the Queen, and now ^aBritish Air Attache to Brussels. He has come over to attend an Air Ministry conference and visit the Farnborough Flying Display.

Denver's ~~Business~~ Country Club welcomed a very famous player, President Eisenhower himself. ~~Even Presidents~~ ~~have to take a holiday;~~ so Ike was relaxing in the most nerve-racking pursuit outside work. The old game proved that even a great man can lead the ball to the hole but can't make it sink.
