GROUP CAPTAIN Peter Towns-  
end, British Air Attaché in  
Brussels and former Equerry to  
the Queen, is returning to Britain  
on Friday for the first time since  
he took up his appointment on  
July 15.

He is flying his car from Ostend  
to Lympne on the air ferry and  
motoring to London for the annual

An Air Ministry spokesman said  
yesterday. "He will stay in Eng-

Farnborough Air Show."

It is not known yet when he will  
be returning to Brussels, or  
whether he will be visiting the  
Royal Family at Balmoral, where
