

THREE YEAR OLD ~~MINIMUM~~ PRODIGY. WHAT POISE

Ballet dancing has caught on With the Siamese Baby Elephants of Thousand Oaks Circus, California. Anything they can do acrobatic star Opal can do better - at any rate she thinks she can. *One of the youngsters accepted the challenge and undertook to revise the theory of gravity by doing what no baby elephant ever did before - stand ^{up} on one leg.

~~Wait till they've all learned to do pirouettes.~~
