This attempt concerns the Hunter of the Hawker company..
 When I left , there had been no confirmation as to whehter

This material shows the plane..fuel in...examining the
 aircraft etc...inspecting the under carriage etc....
 take offs and two landings..the best that could be got
 under the circumstances....various shots of the plane taxing etc

The only shots that really need identifying are the following
 Duke shaking hans with a high rep of the Hawker company
 a Mr George Anderson....

the other shot or shots show Neville Duke with his wife
 Gwen (hands around waist etc)

A couple of shots of the plane overhead etc.

Amongst the material is a number of shots of Duke in close
