

BRITAIN HONOURS THE FEW

A Spitfire and a Hurricane, the two makes of aircraft that saved the ^{country} in 1940, led the fly past. On the Air Ministry roof stood Lord Trenchard, Father of the Royal Airforce, seeing now the first all-get commemoration of the Battle of Britain.

Lord Tedder, with his son.

55

The fly past was organised by the officer commanding Number Eleven Fighter Group, Air Vice Marshal the Earl of Bandon (on the left). As the Canberras of Bomber Command flew over, the thoughts of Lord Alexander, and all who live ~~today turned in thankfulness to the every memorable "few".~~ today turned in thankfulness to the every memorable "few".
