"I want them to know that their letters never went unanswered after the day I received them. I hope that they received my answers. I was able to obtain no information on other P.O.s. while I was there no matter how hard I tried." "I hope that this time that some of those that have made inquiries have received good news through Pennington - have their loved ones back with them again."

NOTE. THURSK and george. GEORGE, FILL IN WORD "AND" at beginning of talk.
