	<p>This morning, from the warship Navarrino which had ably been docked at the Angioino dock in the port of Naples King Paul of Greece, the charming Queen Federica the heir to the Greek throne Constantine, and Prince Christopher of Hannover came ashore.</p> <p>The Greek Royal Family after coming ashore and spending a little time with the authorities who were present to greet them, went on to the Excelsior Hotel. Shortly afterward the royal visitors came out of the hotel and went to visit the Zolfatara at Pozzuoli. (The Zoltatara is a volcanic zone where sulphur is mined and there are hot mud springs near by.)</p> <p>The visitors were accompanied by a guide and they seemed rather interested by what they saw. They often asked questions to the guide during their visit.</p>
