

MODEL BOATS HOLD REGATTA

on a pond

Just to sail a boat/nowadays you have to be a radio expert,
judging by the International meeting of enthusiasts

at Clamart, just outside Paris. All the
wonderful models entered had to be controlled by radio.

There seemed no end to ^{the} ingenuity shown in making them.

~~nowadays~~. Do you reverse? ~~no~~

20 clever owners from many parts of Europe made their
craft do everything but talk. Onlookers asked themselves
why full-sized liners need any crew nowadays.

The prize exhibit ~~did everything at six times the speed:~~
