

ALL BLACKS MAKE GOOD START

20

The Duke of Norfolk and the New Zealand High Commissioner greeted the All Blacks at Hove when the New Zealand touring 15 played their first match. A scratch team representing the Southern Counties supplied the opposition. In the first few minutes the tourists began to pile up a score. It began with a penalty ~~by the tourists.~~

35 Full-back J.W. Kelly scored easily.

42 The first try of the tour was scored by outside-half L.S. Haigh. Drenching rain made high class football impossible.

Kelly added the goal points. His immaculate place ~~and~~ kicking is going to mean a lot to the All Blacks.

Next the New ~~Zealand~~ Zealander's right-centre J.T. Fitzgerald got a skating-rink try. And again Kelly had no difficulty from that very easy angle. R

87 Before half-time wing-forward McCaw sent W.H. Clarke over. That try was converted too, so the All Blacks led 21-nil. ~~Under the terrible conditions~~ In the second half they added three more points. ~~Under the terrible conditions it was hard to weigh them up,~~ ~~but~~ they ^{are} obviously a formidable side.
