

HANDBAGS: PARIS STYLE

This is a story for men, though that wants a bit of leading up to, because on the face of it, being concerned ~~solely~~ ^{mainly} with handbags, it might seem to be for women only.

25 It's quite simple; we're all wondering what to give for Xmas that won't cost the earth, so Paris ~~holds~~ ^{held} a handbag week, exhibiting original and quite fetching designs.

45 The drawback to ~~some~~ shapes is that eventually they get full, so here's the concertina model, suggesting that ~~you can play~~ ^{played} a good tune ^{on a new bag} ~~on a new bag~~ ^{for many}

82 Every girl knows it's the accessories that make the really smart woman, whether it's handbags in Paris or fig leaves in Eden.
