COMPLETE DESCRIPTION OF SCENES

If ever there was a mockery of organization of the part of the powers that be, to assist the Press to either obtain news or pictures of this might be calamity, this was IT.

Having explained exactly what was required by all reps wanting pictures to the two P.R.O. and waiting exactly ~~10~~ eleven hours.. 10am to 9pm. the principles of this might have tradgedy, left without all being got together, the principal agencies and ~~new~~ newspapers including A.P (Leslie Priest) will confirm this fact, perhaps more so , that hardly any of the press people got a picture of the contestants together.

So much for ~~XXX~~ that.. now as to what was shot.

S.V Bill Allen
 S.V. ~~the~~ General
 S.V. the General leaves
 N.U.R. leaves building
 Franklin ~~XXX~~ discusses the situation with officials of the N.U.R.
 Group leaves including Cambell

inside the building
 Moncton in a hurry
 The General shakes hands with Cambell (only one Press man got this picture)
 C.U. Cambell

These shots were shot in the hurried rush from the building..
