SCENE NUMBER

COMPLETE DESCRIPTION OF SCENES

Can 1. (This is the sound material)

1. I thought this might make an opening shot - a nearly dark screen with strains of Sindings 'Rustle of Spring' then light comes up on pair of hands on key board playing (This has a repeat to hurry up the light on the keyboard)
2. Semi view of 15 year old Celia White playing the piano with light coming up from zero
3. Longer lens on hands playing panning down to foot which holds pencil and is drawing a Spring scene -in the mood of the piano playing. (Celia White used to suffer from flat feet but her gym mistress suggested that she should exercise her feet by trying to pick up objects - such as a pencil - with her feet. However instead of that Celia, who is quite an artist with her hands, found that she could hold a pencil between her toes and could ~~draw~~ draw as well and after some time of doing this she no longer had flat feet.)
4. Close shots of her foot drawing
5. Close of Celia's face as she plays and watches her drawing
6. Complete run on music with close of hands to form cutting track.

Can 2. Silent

Le Blay.

1. General view of Celia in armchair drawing with her foot -without the distraction of the piano playing some of her foot drawings are really quite remarkable.
 2. Another angle on the drawing
- Sound camera -silent
1. Close shots of foot drawing & semi
 2. Pan up as Celia shows some of her other drawings with close same
 3. Close of her signature done with her foot.
