

BABY BOKO'S DOING FINE

Here she is at last, the Siamese twin, Baby Boko, surely the most popular baby in the world. And she has just about the world's proudest mother, Veronica Davies, who brought her here for the operation that saved her life, or at least gave her the chance of proper life. So Veronica and little Boko are flying home to Nigeria, where ^{the}anny's going to tell all the relatives all about it.

67 We shall be sorry to see them go. A few weeks back we didn't even know they existed. Now little Boko(s got a place in all our hearts.
