

## WALES BEAT ALL BLACKS

All-Blacks kicked off against Wales. It was the fourth encounter between the two countries in the game's history.

What a feast for the 56,000 crowding Cardiff

Arms Park. The New Zealanders went all out to avenge

the defeats here of two previous touring teams. But Arms

Park is their bogey ground. Four weeks ago they lost here

to Cardiff. Now they were up against the might of all

Wales. The crowd inspired the gallant home-side and

reward came after sixteen minutes' play. Cardiff forward

Judd seized a bad pass by the All-Blacks' full-back and got

over the line.

G. Rowlands, Cardiff and R.A.F. left-wing, kicked the goal, from 35 yards.

Six minutes later R. A. Jarden scored a penalty for the All-Blacks.

(crowd) Spurred on by that goal the All-Blacks played

like conquerors. The Wellington forward, W. H. Clark,

scored a grand try.... Jarden added the goal points.

New Zealand led 8-5 at half time, and continued in a

winning vein when play was resumed. But in the last

quarter Wales were on top again. Their footballers have

never had any superiors when fighting against a lead at

Cardiff. Despite the New Zealand pack (easily the best

in the game today) Wales pinned their opponents down into

New Zealand territory. In the last quarter the All-Blacks

were penalized. Again Rowlands scored.

Wales were level. And how they piled on the pressure!

Eventually ~~a cross-kick~~ <sup>the</sup> Swansea forward R. C. C. Thomas

was flung over the line by Ken Jones. Rowlands converted.

Wales won, 13-8, in a wonderful match.
