

WOOLWORTH MILLIONAIRES WEDS 5th TIME

Porfirio Rubirosa left his N.Y. hotel for a very special engagement on Park Avenue. Way up on floor 17 - offices of the Dominican Republican Consul-General - he was being married to Barbara Hutton.

*To* Last of her four previous husbands, who included Cary Grant (1942-1945) was Prince Igor Trubetskoy (1947-1951). Rubi (as they call the Dominican diplomat for short) has only been married ~~from~~ <sup>to</sup> three times, but, <sup>hope</sup> to make up in ardour for lack of experience. Anyhow they both say that this one is for keeps. Famous first words!

Rubi was fired from the Dominican diplomatic service a short time ago because his enemies ~~considered~~ <sup>considered</sup> him a playboy. ~~Now he 's been reinstated. Maybe the Dominicans want to negotiate a loan.~~ Zsa Zsa Gabor says that when she refused to marry Rubi he gave her a black eye; which proves that you needn't be married to get on good terms. Anyway, good luck to Rubi and Barbara.
