

ROBOT MAN HAS EYE FOR PRETTY GIRL

Practically human and not bad looking either, ⁷ The robot
^{7 - Drally}
~~was made~~ by Harvey Chapman, ~~who completely controls him.~~
~~The most awkward~~
~~Managmonns~~ Chemicals can't hurt him// and he can go into

fires/ to test fireproof suits ~~and other places too dangerous~~
~~even for his creator.~~ The Los Angeles engineer makes his
Garco (*Gar is Greek 4 Boy/Gear*)
slave/do almost anything but pay taxes. Wait a bit;

Garco could deal with an income tax collector. Life isn't
just all work for the robot. He's started to ~~make~~
be a bit of
a wolf.

(Mr. Smith's sequence)

Getting his mind back/~~on~~ ^{he's} work/~~he's~~ ambitious to be a
cameraman. Just let him get/~~in~~ reach of that switch
and he'll be the eyes and ears of the next world.
