

OLD TAXI EMIGRATES TO S. AFRICA

Nearing Johannesburg. An ancient London taxi, nearly 5,000 miles from home and still going strong.

The destination of the 3 men who bought the old taxi for 35 pounds was the home of one of them, George Hadiaris.

20 He and companions Wally Wright and Derrick Dixon were at the end of a 20,000 mile trip, ~~in the taxi~~, having driven it all over Britain and the Continent before heading South. It was classed as not road-worthy when they bought it. Add <sup>19 yrs</sup> ~~the~~ taxi work to the present trip and the old thing can claim nearly half-a-million-miles of active life.

Now it was taking George's sister Rene to be married, to ~~Jan Addison~~ <sup>Wally</sup>. It's never too late to start a new life in a new land.
