

NEW ZEALAND CAPITAL HAILS QUEEN

At Wellington Town Hall, to which the Queen was escorted by Prime Minister Holland, Mayor Macalister led a civic reception. 3,000 people were present.

At a garden party in the grounds of Government House the Queen met many hundreds of important people privileged to receive the invitation of the Governor General, Sir Willoughby Norrie. It was remarked with what charm and graciousness Her Majesty moved among the guests. The Royal Tour of the North Island was nearing its end. The Queen was soon to cross Cook Strait to visit South Island.
