

## SWISS WIN BOBSLEIGH TITLE

Austrians made good time at Cortina d'Ampezzo in the world championship ~~manam~~ contest, though they were unplaced. Six other countries entered their heavyweights, this sport calling for beef as well as skill. <sup>Both</sup> ~~Two~~ teams from Germany did well, ~~winning~~ (here's their number one Four in action), eventually winning second and third places. Total time over four runs of the course decided the championship.

This time the Americans had to be content with 4th place.

Switzerland, skippered by ~~Hann~~ Feierabend, carried the day, nearly six seconds faster than Germany's number one team.

Handshakes all round after a fine contest.
