

# SKI STARS CONTEST WORLD CHAMPIONSHIP

Evert Karlsson, as a native of Sweden, had the privilege of leading off for the World Ski-Jumping Title, at Falun, in Sweden. He was unplaced. Sverre Stenersen, from Norway, took off beautifully but wasn't so hot when it came to landing.

Well fancied was the Champion of Austria, past winner of international competitions, Sepp Bradl.

Matti Pietikainen of Finland won the title with a perfect jump of 246-feet.

Heinonen, also Finland, came second, seen here <sup>8</sup> ~~as~~ the winner, ~~right~~
