

FLASHES!

What looks like the smallest jet plane in the world made its maiden flight in France. Tiny it may be; toy it certainly isn't....The wings are swept back at 70 degrees. Estimated speed - over 300 miles an hour. It's a reduced prototype of a French fighter plane.

Thousands in East Berlin staged a protest ~~meeting~~^{march} over the 4-Power Conference failure to agree on Germany.

Welcome visitor to West Berlin, acclaimed ^{here} by 13,000, was Dr. Adenauer. ~~The Federal Chancellor~~^{He} told his great

audience that the Western Powers stood firm. ~~Germany must~~^{on the issue of Free Germany} be ~~patient and~~^{Tpl must} continue working ~~to~~^{up} unite ~~their~~^{of it} country.

A world record in marriage was claimed by two families in Holland. Five brothers and one sister of one family married five sisters and one brother of another, all on

the same day. In Berkel Town Hall the Civic ceremony ^{of solemnity} was performed by the Mayor, ~~as solemnly as if it were an~~^{by way of a salute to premises} ~~every day occurrence.~~ At the village church the weddings were solemnised at the same service.

A chance of seeing a man getting
to brother's or sister's wedding
day.
