

## AUGUSTUS EXHIBITION

From the Diploma Gallery, Burlington House strode  
the grand old man of the world of art, Augustus John,  
monarch of the Bohemian world, 76, vital as  
a youngster. He'd been looking at a special exhibition  
of his own works . And who better to comment on these  
splendid drawings and paintings than the Royal Academy  
President, that other veteran, ~~only two years junior~~  
~~to Augustus John, Sir Gerald Kelly.~~
