Official programme attached ...

Owing to the battery going down, I had fortunately the Newman with me and shot with the Newman up to the finish of the game, as the sound camera picked up to speed so slowly, there may be a shot or so that can be used...

On the Newman, mags one two & three, Mag one, starts off before half time, C.U. of programme denotes half time and then the second half kick off..the other two mags are marked two & three...on mag two is the only goal scored in the match by Arsenal

Cardiff kicked off.

COMPLETE DESCRIPTION OF SCENES

Note.
This really was a poor game.

1. Gen. view of crowd panning to teams coming out
2. The kick-off --Arsenal won toss
3. Various lenses on play round Cardiff goal
(towards the end of the 1st. half there is a shot in which the ref. comes a purler)
4. The second half play round Arsenal goal but here the light was pretty bad and so was the play.

(There are one or two crowd cut-ins during the play)
