

PARIS SHOWS LATEST HATS TO COLOGNE

It may not feel like it at the moment, but spring will be ~~mean~~ here in a very short time. So the Paris hat people sent their very beautiful models to show the Germans of Cologne that no frau need look frousty if she buys a new hat from the right shop. Of course, there is something in how you wear it, and in the wearer.

What a beautiful promise. We'll keep a stiff upper lip in the freezing cold, because if snowshoes come, can spring hats be far behind.

## Paris hat-fashion-show at Köln

(not exclusive)

In the Excelsior-Hotel at Köln a hat-fashion-show took place, for which, among others, French fashion-creators had sent models and mannequins.

Models of Fath, Orcel, Cange, Lecrouser, Barthlet, Billard, Claude Saint-Cyr and the German fashion-house Diefenthal were shown. The new form of the spring-hat is the mussel-line. These are tiny sporty hats lying on the head like a little bowl. The bonnet-form, too, is very popular.

The colours mostly used were red in all shadings, pale blue and white crayon-coloured mussel-shadings.
