~~FINNISH~~ ACE BEATS BEST OF EUROPE

Who wouldn't be a professional ski-jumper! Glorious Bischofshofen staged Austria's Open Championship, with a strong contingent from Finland fancied for the team prize. (One out)

Eino Kirjonen, of Finland, jumped 279 feet and won 3rd place.

The next man was unplaced. He finished wrong side up, Silvenoinen (Finland again) won 2nd place, with 292 feet.

The contest began to look pretty well in the bag for Finland.

The <sup>N</sup> Norway sprang a surprise in the lanky person of *Torbjörn* Thorbjörn Ruste. He almost flew to victory, like a gigantic bird.

Ruste set a record for this jump, leaping 301 feet.
