

## SHAH AND QUEEN VISIT MIAMI BEACH

To Miami Beach -- the Shah and Queen Soraya of Iran. For the Royal couple, this is another stopover on their countrywide tour. The Shah, like all tourists in this Florida resort area, and his Queen, try their luck aquatically, on water skis. This is a far cry from their last sojourn --at Sun Valley where the skiing was on snow. The Shah is no novice at this sport. He has water-skied in the Caspian Sea near his native Iran. For the Shah and his Queen-- fun in the sun.
