	COMPLETE DESCRIPTION OF SCENES			
	Local Birmingham newspaper	attached gives all de	tails et	o etc
	Roll one is only concerned with night scenes as best could be got under the circumstances, as flares were banned after trouble with the police, the same obstruction existed most of the time. The other rolls & pieces are concerned with the Besoue and engineers at work, all of a general nature of the work going onwould have liked a gen view, but once again the police put the bar up to this, supposed to be dangerous. A couple of shots of the signal box, also the station namea couple of shots of WeVeS. workers who had WANNER worked for 16 hours getting tea etc for the reps, engineers firemen etc names of these women names left to right Miss Sanders Mrs Hathaway all of Sutton of WeV.S Mrs Buchanan & Civil Defence			
	onwould have liked a ge put the bar up to this, su a couple of shots of the namea couple of shots of worked for 16 hours getting firemen etc names of these Miss Sande Mrs Hathaw Mrs Buchan	on view, but once again apposed to be dangerous be signal box, also the of W.V.S. workers who h ag tea etc for the reps women names left to r brs way all of Sutton of W han & Civil Def firemen who led the res	the pel station ad xakaa , engine ight .V.S ence oue work	ice X ers
