

DAI DOWER GOES TO MINING SCHOOL

Aberaman mining school's best known pupil is Dai Dower. The Empire Flyweight Champion, a miner when not otherwise engaged, is training to be a fitter down below. Here he's receiving instruction in the meeso-moore coal cutter.

Dai's mates are convinced that he's another Jimmy Wilde in the making. ~~But~~ ^{He's} ~~has just got~~ engaged to an 18 year old Welsh beauty, Evelyn Trapp. In a few days'time he fights Eric Marsden for the British Flyweight Title. ~~His main aim~~ ~~is to win the title and then get married.~~ How he can keep his mind on coal is a mystery. Barring a knock out the fight will last 15 rounds. Four days afterwards Dai and Evelyn get married. That one'll last a lot longer.
