SWISS WIN 4-MAN BOBSLEIGH CHAMPIONSHIP

At the snowy paradise of St. Moritz it's the height of
the season. In the World 4-man Bobsleigh Championship
Switzerland entered two teams. The second won. The British
team only managed to come eighth. If it's weight that counts
certainly the German combination should have been unbeatable.
But this wasn't their lucky day.

Switzerland gained the first two places. Their second team
won. Time for four courses of the Cresta Run 5-minutes,
10.52.
