

POMPEY KNOCKS OUT DAWSON

5
Yolande Pompey, Light-Heavyweight Champion of Trinidad, fought Bobby Dawson, America, at Nottingham Ice Rink. A Reg King presentation. Dawson out-pointed Pompey here a year ago. Very much the better boxer he was on top in the early stages of the present fight.

(8 out)

Round 4 ~~was~~ a sensation. Well behind on points Pompey now began to connect with heavy punches. The knock-out blow was a right hander on Dawson's chin. ~~He~~ ^{He} ~~couldn't~~ couldn't have got up for a million ~~pounds~~ ^{pounds}....

95 [Victory puts Pompey back among ~~challenger~~ challengers for a world title bout.
