Chairman.

~~Your Royal Highness, My Lords, Distinguished Guests
~~fellow baron~~ on behalf of all the members of 1036
 I want to say how delighted and ~~glad~~ ^{how honored} we are, to have you
 here with us today, ^{here off} and I want to thank you for the
 great interest you always take in our activities.] You~~

will be very pleased to hear that during the last 5
 years, the Variety Club of Gt. Britain has collected and
 given away to societies who look after the welfare of
 poor children, a sum of just over a hundred thousand

pounds. [At these lunches we like to give money away if
 possible, and today we are going to present a cheque to
 the Dockland Settlement.] I would like to tell you how

it came about that we are able to do this.....

.....Maxie Thrupp has offered one of his well³known
 pictures "On the Waterfront" to the crowd.....

..... as a result that evening £1500 was
 received.....

and 400 goes to our own heartfund, and the expenses were
£86

? We have ten houses, 2 churches, 1 Police Station and
fifteen pubs.

?no listen, what I was letting myself and the
Great British Public into. I, yourself, myself, and
all responsible when I introduce to you now the..
.....

? Before I being talking, I'd like to say a few words. I
am so nervous, I might do a trick wrong. I really feel
wonderful, to look at me you would think I had the fever
.....

Are you the man on television? I never miss you.

I've never seen you, so I never miss you.

This little trick here, very slow it is. I'm not much good

at speech making, I do tricks. Look this is a spoon,
you can do this yourself, it is an optical illusion,
...and you give an impression of bending a spoon.....
very simple one...look if I give it this....look there is
one.
