

VIAREGGIO CARNIVAL

Viareggio claims that its carnival is the best in the world bar none; ~~and~~ this year it excels even its own high standard. Italian artistic imagination lets itself go, putting on a show the visiting thousands won't forget for a long time.

(45) ~~For weeks - months in some cases - work's been going on to make the floats and figures. They get bigger, better and more comic every year.~~

(52) Carnival season came in with a bang. If any place on the Riviera comes up to Viareggi standard it'll give a grand show!
