SCENE NUMBER

COMPLETE DESCRIPTION OF SCENES

In Richmond Park there are about 700 deer some fallow deer & others red deer, and during the severe weather they are unable to find their natural food and so the Ministry of Works have to see that they do not starve. They feed them with hay and also with locust beans mixed with maize. When the tractor comes along with the latter ~~they~~ the deer come running from all directions.

1. General view of deer in the park panning to men putting out hay into the pens.
2. Closer shots same & close ups deer feeding
(This took place in morning so shot on it not knowing what the afternoon feeding with the locust beans would amount to. Actually the afternoon stuff was the better)
3. Several shots of deer in the distance running to the tractor
4. The tractor comes along followed by hundreds of deer
5. Various shots of shovelling out the feed with deer following on
6. A couple of deer having a scrap
7. Travelling shot from tractor of feeding
8. Various angles on deer feeding and running
