

PARIS SPRINGS LATEST IDEAS

At the house of Desses it's no longer top secret what the really smart woman will be wearing this spring. Slender, rather severe lines, though sometimes with ^{a surprisingly} ~~rather~~ full skirts.

This is a dress in a woblen mixture with raised corsage effect. The mantle is fixed at the back. Then comes a dance frock of blue taffeta with polka dots. ~~These~~
~~creations are from the House of Jeanne Dessas.~~

The world famous Carvén does not depart from the young slender line. It's amazing how these fashion designers and Dame Nature sometimes insist on disregarding one another.

X a delightful ~~dress~~ dress and below.

A very becoming afternoon frock in grey wool with white stripes.

95
The correct wear this spring will be tastefully simple and, if you buy it in Paris, expensive.
