INTERVIEW WITH PETER TWISS AND GROUP-CAPTAIN SLADE

1.	SCU	SHOWING MODEL OF PLANE	6	LINDEMAN
2.	SV	SPEECH:	34	PULLEN
3.	CU	SPEECH:	33	PULLEN
4.	SCU	PETER TWISS AND CAPTAIN SLADE AND NORMAN AUSTIN	15	LINDEMAN

LENGTH WITH TITLE.....88 Ft.

SV, No it's not really the height you go
The impression of speed is very
small apart from the instruments
you have and the information
you get from the ground one doesn't
realise you're travelling at that speed
at all.

COMP In = full of 8 ft
