

ARCHBISHOP'S HOUSE SEARCH: BOMB AND AMMUNITION FOUND

The Makarios residence revealed proof when it was searched
of the Archbishop's ~~connections~~ ^{sympathy} with Eoka, the terrorist
organisation. He appears to have ~~permitted~~ ^{allowed} the Archbishopric
to be used to store their literature and ammunition.

A petrol bomb and others half made were among the finds.
Mine ~~detectors~~ ^{detectors} were used to search the gardens. Whether
Makarios exercised ~~some~~ ^a moderating influence, as some
believe, or spurred on the terror campaign the next few
weeks will show.
