

Madam. Your ^{new} Easter Bonnet
Oh to be in Paris ~~the~~ Spring
is here so why not look
at the latest Easter Bonnets.

This one is called "White Horseman"
in grey and pink wash
and Orzel calls this one "Clan"
in light Spring colour on a base
of draped cloths.

"Flanders Poppy" in flaming red
just ~~the~~ the thing to make
the heart beat faster in beautiful
Spring sunshine.

"Bozanno" is in restful green
with a pink helmet motif.

and "Magician" decorated
with violets & hyacinths

all of which are calculated to
make us poor males turn over
heads when the ladies pass by.
