

Once upon a time ^{Page 10}

Baby Bear

There were three Bears —
Poppa Bear, mama Bear
& Baby Bear; mama
& poppa Bear have now
abandoned this little
fellow and for the first
time in 20 years the
Frankfurt Zoo has
succeeded in rearing
a baby polar bear
on a milk bottle.
Dr Faust, ~~the~~ veterinary
surgeon ~~at~~ ^{of} the Zoo

took the cub home
 where it has thrived
 on a diet of milk ~~and~~
^{Shumway's} kindness.
 Cod liver oil. He
 now makes his debut
 100 days old, ^{is} very
 friendly & playful
 but always ready
 for his next feed

He is who do a bear's
 life.
