

## GRACE KELLY SAILS FOR MONACO

The Liner Constitution was in the headlines all the world over. Her most distinguished passenger was lovely Grace Kelly, who went aboard by way of the freight lift, to avoid the crush - not altogether successfully. Paramount President Barney Balaban and his wife bade  
30 goodbye to their daughter, Mrs. J. Cantor, whom Miss Kelly has chosen to be one of her Bridesmaids. The romance of the beautiful star and Prince Rainier has thrilled the big heart of America and of film lovers  
50 everywhere.

With her parents Miss Kelly now waved goodbye. She was sailing to Monaco to be ~~announced~~ the bride of the year. About eighty people travelled ~~with her~~ in her party. What a wonderful wedding its going to be.
