30 Nicosia faces a new stage in the Cyprus terror campaign. Greek Cypriots murdered two of their Turkish ~~island~~ fellow countrymen and some Turks destroyed Greek property in revenge. In efforts to arrest the murderers Greek Cypriots who were near when the crimes took place were rounded up for questioning. The murders may indicate  
40 that some of the terrorists now find it too dangerous to attack soldiers and are turning against the Turkish Cypriots. The time has not yet come when military vigilance can be relaxed.
