*Tollensa,*

Prince Rainier's yacht put into the Bay of ~~Eschsch~~.  
With Princess Grace he was received by the President  
of the yachting club, who hoped that the honeymooners  
would enjoy their stay in Majorca. The combination  
of honeymoon and this island paradise it would be almost  
humanly impossible not to enjoy. For the benefit of  
the ~~disinterested~~ <sup>popular</sup> visitors some of the islanders  
performed their traditional dances.
