

ITALIANS SHOW FASHIONS AT ROYAL PALACE

The ornamental canals are one of the glories of what used to be ~~an~~ the Italian kings' summer palace. It made a superb background to a fashion show, starting with a becoming summer outfit. ~~Another ensemble is described~~ as Imperial Rose. It's in white and blue, with high waist.

An afternoon gown, with elaborately embroidered skirt.

The display continued inside the palace, with a beige woolen evening dress by Gattinoni.

An evening gown in black, by Simonetta, displayed on the stage of the palace opera house. Even Paris must envy the ~~the~~ Italian couturiers for having a royal palace at their disposal.
