DEMONSTRATION IN ATHENS

As soon as it was known that Karaoli and Dimitriou would be executed in Cyprus for their patriotic activity a manifestation was held in Omonia Square in Athens to protest AGAINST the execution. The Archbishop of Greece Dorotheos spoke to the crowds of people who is also President of the Committee for the Union of Cypriot Struggle. About 40,000 is amounted the concentrated people. After the speech riots took place and the results are 7 killed and 300 wounded.

No.1.

After the new emergency regulations issued by the Governor Sir John Harding as regards the movements of the Taxi drivers in the Island so that can be easily checked by the security forces, the Taxi drivers of the capital have been gathered out of the Traffic Branch of the Nicosia Police and are waiting for the permits to be delivered to them...shots of the taxi drivers waiting out of the traffic Police...shots of the premises of the Police shots of the sign of the Nicosia Traffic Branch...shots of the cars parked near the traffic area. other shots of the people getting their permits in the office of the police officers in charge..

No.2 The same day the Governor issued another order that all cars and motorcycles as well as pedal cycles are not allowed to be in the Nicosia area. Taking shots of the people just before five in the afternoon rushing to leave the town. several shots of them with cycles pushing them not having the right to cycle....then after 5pm. when the regulations were enforced shots of the security forces blocking the entrance to the capital and all cars are checked for special permits or curfew passes...

Roll.No.3. After the Governor's rejection on the Karaolis case I have covered today what the situation is.

Shots at the central Nicosia prisons shots of the prison with guards and barbed wires...long shot of the execution building...other shots of the side walls of the prison with guards...other shots are from the deserted streets with out any cars after the yesterday's emergency regulations...several shots of the streetsother shots from the troops patrolling the capital for security measures...
