

A DIOR FOR DOGS? WHY NOT?

Smart dogs for smart women, that's what is decreed by Paris. And where else could you get four-footed models to display to society pets just what the top dog must wear this summer? Come on, Marilyn, don't pretend to be nervous.... Bye bye, that was all beautifully modelled.

What 's the matter with me? Do I smell doggy or something?

Well Just look at my jewelled collar

--

So far but no footwear. Soon remedy that.

62 Remember all the outfits are modelled ^{dressed} ~~led~~. No dog ~~human~~ here will ever have to share a bone ^{outfit} with another ^{dog} dressed the same ~~←~~
