

# THE WIVELSFIELD DONKEY RACING CLUB

(Affiliated to the Donkey Club)

WHITSUN MEETING, May 21st, 1956. Under Donkey Club Rule.

DEAR DONKARIAN,

I herewith enclose schedule for Whit-Monday's Donkey Races at Wivelsfield Green, and I do hope that you will again afford us your kind support.

Will you please forgive the lateness of the posting of this year's programme of events, but in view of the recent death of my only little boy it is with a very heavy heart indeed that I am proceeding with the necessary arrangements.

Last year was a record success as you will see from the figures below. Will you please enter a donkey again this year and help us to make it an even greater success.

As always we have the welfare of handicapped children and of donkeys equally in mind and as the result of this programme we hope to benefit both.

Proceeds will be divided between the Chailey Heritage Craft School and Hospital for Crippled Children and the Playing Field Fund.

Good Luck ! Lots of Sunshine ! And lots of Fun !

Yours sincerely,

SUSAN DINNAGE,  
*Hon. Secretary.*
