Haarlem,

KOUDENHORN 8-10

Length: 32 metres.

"Flag-day" in the Dutch fishing-ports, from where the herring-boats will start.

Each year,, before the departure of the boats for the herring-catch, there is a herring-fleet-show in the North Sea. The boats nicely beflagged lie on show in the Dutch fishing-ports.

In the harbour of Scheveningen, relations of the fishermen going to sea, have an opportunity to make a trip on the herring-boats, off the harbour.

Some days later started the great herring-race, which will bring us again the fine new Dutch herring.
