Stock used.No.1.roll Tri-X.,and No.2&3 rolls HP3.UNVEVELOPED

Following the announcement by the commissioner of Nicosia Mr, Martin Clemens in the public court inquiry yesterday that several shops and houses in the area of the throwing the bombs on Manday, have to be evacuated for a period of three months, the shops keepers who are effected in this order have started today evacuating their belongings out of the shops..

Roll.1. The evacuation of shop in the Ledra Street, taking out of shop which is a novelty one, all things, clearing the show window from the goods and taking them out..and loading the goods on car to be taken away.. another shots of other shops nearby evacuating.

Roll.2.
More shots from Phaneromeni street from the second incident of the bomb with other shops which have to closed is also the LAMBRETTA agents Mr. PIERIDES a very well known office in the Island, and here he is taking offices and file cabinets and other staff of the shop to be remove by cars to another store out of Nicosia..More shots are from the cars which are parked out of the walls of Nicosia by the new regulation that no cars can be stoped or parked in the ~~area~~ walls area of Nicosia.

Roll.3.
While the shopkeepers were evacuating their shops the army got to know ~~by~~ that a demonstration is going to be holt in Ledra street, the army soon arrived and here in roll No.3 marching along the street, ordering shops to close their doors and stay in or go home...other shops of the paratroope checking and searching all suspected youths passing by the street..
